

A photograph of two people silhouetted against a bright sunset or sunrise over a body of water. The sun is low on the horizon, creating a strong orange and yellow glow. The sky transitions from a deep blue at the top to a lighter orange near the horizon. The foreground is dark, showing the silhouettes of the two individuals. The overall mood is nostalgic and serene.

ABSENT WHEN
PICTURES WERE
MADE

All the people that mean so much.
Joyful moments that we've caressed,
This time around I think we've touched
The year that has to be the best.

In just three short years,
We've grown a lot;
Through hopes and fears,
And dreams we sought.

So now the time has come
That we must say good-bye.
We hope that each and every one
Will find their dream and fly.

All the practices;
All the games;
All the losses;
And all the gains.
We learned so much,
By being a team,
That we pulled through the losses
And slipped through the wins.

We weren't the best;
Then again we were.
So we thank all the coaches,
For their effort and time,
And to hope they had as much fun;
As we did, you and I!

LOOKING BACK

Darrien Gumkowski

Remember the laughs,
And when our spirits were high,
And always think of how we got by.

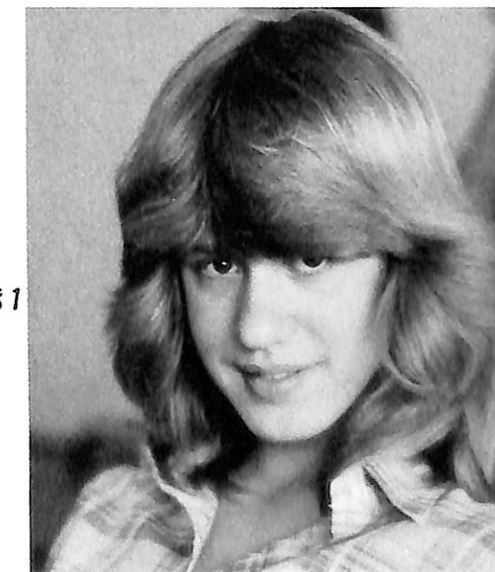

The friends that are going their separate ways,
Will now part with tears,
But we all can't forget the wonderful times,
That go along with the "Good Luck" cheers.

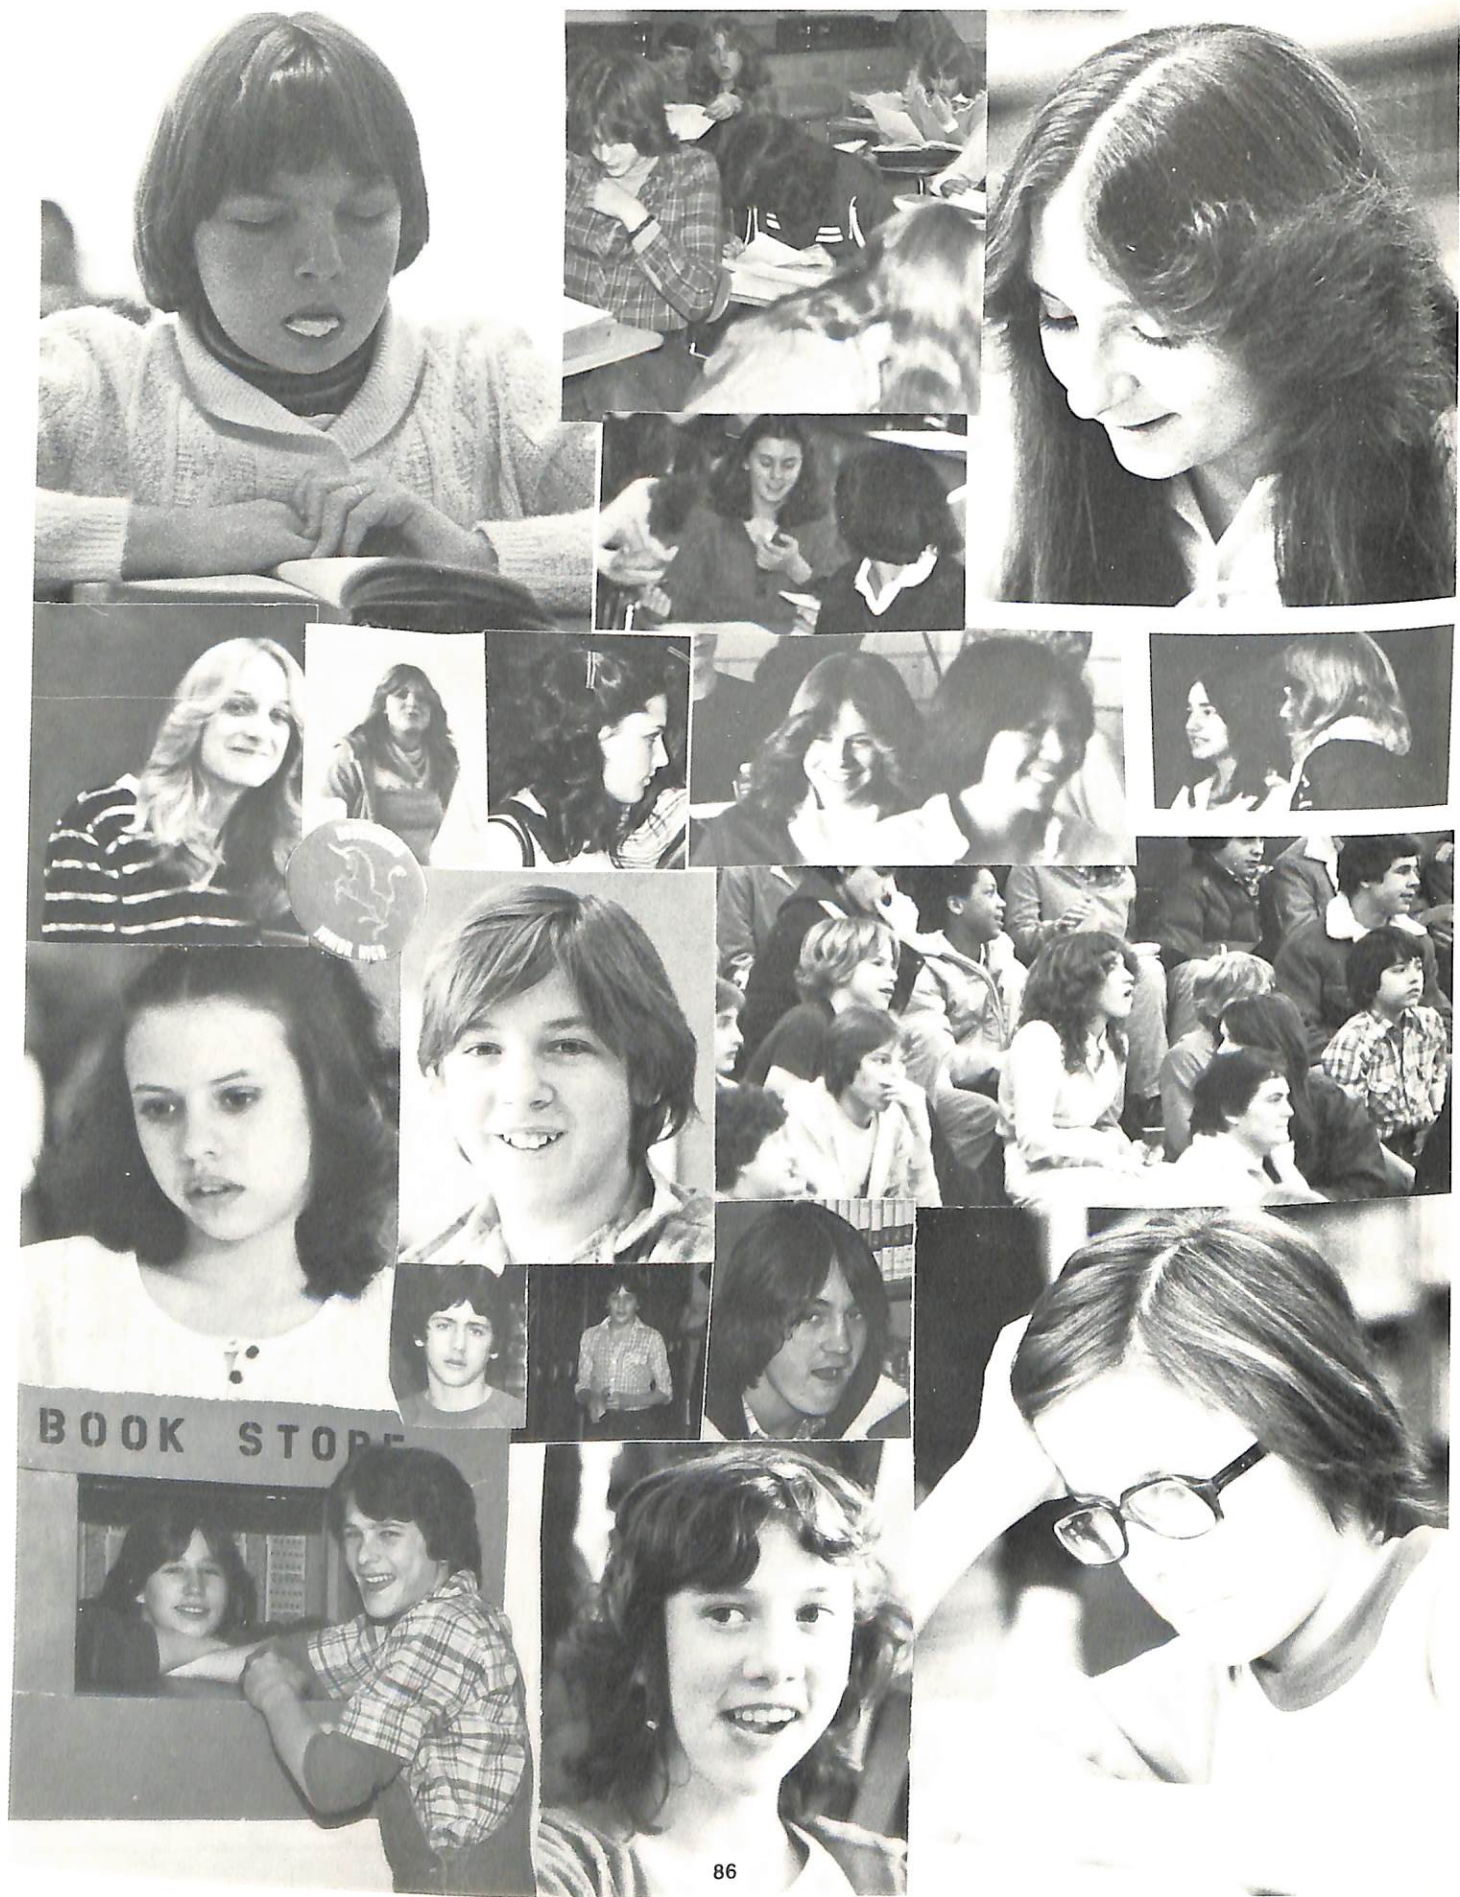

We'll never forget our mistakes and failures,
And how we made them right,
And when we finally realized,
How special they were to make us see the light.

Our countless disagreements,
Are now gone into the past,
And the making of new friends,
Will now forever last.

So now we'll look back,
On the times we've shared
And all the teachers,
Who have showed they cared.

So as you look back,
Remember the fun,
We had of being

TIMES WE'VE SHARED

Pam Guilmette

During the times we've spent together,
Learning to grow throughout these years,
We will cherish the memories forever,
Of our laughter and our tears.

But while the times are remembered
We're sure to always find,
People who saw us through thick and thin,
And to us, were always kind.

They've helped us pick up the pieces,
Then pushed us to start again.
Things seemed to turn out right,
When we depended on a friend.

But now our final year is closing,
And we remember the people, who cared,
Although we may see them again
We treasure the times we've shared.

We, the class of 1984, would like to thank the administration, the faculty, and the student body, for all their co-operation in making this yearbook possible. The yearbook staff would like to extend our deepest gratitude to our adviser, Miss Wescott, for all her time, effort and understanding that she put into this yearbook. We hope that this yearbook will always remind you of all the TIMES WE'VE SHARED.

Rich, you're really a great kid. I'm glad I got to be in algebra with you. I had someone to work with who at least half understood me. Too bad you won't be here next year. You'll miss your friend always.
(What a mess up) Tonya

Rich to a really great kid who helped me a lot in Algebra. Good luck in the future! (It's not going to be the same in school without you.) Have a great summer!
your friend always,
Denise

Richard,
It's been a pleasure to be in class with you. Good luck in Louis and keep your eye on the baseball in baseball.
